Version 2

StoPur 66

Reviewed on 01.05.2017
Printing date 01.05.2017
Changes from the previous version are indicated by markings on the left margin

1. Identification of the substance/preparation and of the company

Product details		
Product name	StoPur 66	
Manufacturer/Supplier	Sto SEA Sdn Bhd 8 Jalan Bukit 3 Kawasan MIEL Bandar Baru Seri Alam 81750 Masai Johor Malaysia	
Local Office	Sto SEA Pte Ltd 159 Sin Ming Road #06-02 Amtech Building Singapore 575625	
Emergency telephone	Tel : Malaysia +607-388 1737 +607-388 4737	Tel : Singapore +65 6453 3080 +65 6453 3543

3. Hazards identification

Critical hazards to man and the environment None.

2. Composition / Data on components

Chemical nature Liquid applied, single component, moisture cured polyurethane.

Hazardous ingredients

Chemical description	CAS No	Designation	%	Index	R-phrases
	9009-54-5	Polyurethane	60 to 70

Boiling point	100 (water) °C
Flashing point	Not Applicable
Explosion limits	Lower : none Upper : none
Ignition temperature	Not Applicable
Vapour pressure	Not determined
Density	1.19 g/cmE DIN 53 217
Solubility in Water	Miscible
pH-value	Not determined

10. Stability and reactivity

Thermal decomposition	No decomposition if used correctly.
Hazardous reactions	None

11. Toxicology information

In our experience and according to information available to use the product is not harmful to health provided it is correctly handled and processed according to the given recommendations.

Acute toxicity LD50/oral/rat: >2000 – 10000 mg/kg

Primary skin irritation/rabbit/non-irritant: (OECD 404)

Primary mucous membrane irritation/non-irritant: (OECD 405)

By analogy. The statement was derived from products of similar composition.

12. Ecological information

Elimination information	No Data available. None identified.
-------------------------	-------------------------------------

13. Disposal considerations

Must be disposed of by special means e.g. suitable incineration in accordance with local regulations.

14. Transport information

Not classified as hazardous under transport regulations.

15. Regulatory information

National legislation / regulations	Not subject to labeling in accordance with EEC and DOT Directives. Handle in accordance with good industrial hygiene and safety practice. According to data available to us, the products is not hazardous under the relevant German Legislation (Getahrstoffverordnung)
